6 *Because the mother is not thinking right and the child.*
- 7 B: No como ellos pueden pensar esto?
8 *No but how can they think like that?*
- 9 C: Porque mi la señor la esta metiendo eso en la cabeza de el niño.

- 23 C: Uh huh.
- 24 A: Uh huh.
- 25 B: Tell him about that time.
- 26 A: Ah.
- 27 B: When he was under the covers when he was touching him and he and they had the covers
28 over him.
- 29 A: Usted y ~~EG~~ estaban acostados juntos.
30 *You and ~~EG~~ were laying down together.*
- 31 B: There is a lot of times I can say.
- 32 A: En el sofa ayi en el Arizona room or en el porche.

1 *On the sofa there in the Arizona room or the porch.*

2 C: Pues es que cada ratito salían y brincaban en seguida de mi.

3 *Well its because they would come out and jump next to me.*

4 B: Con el coda con con con un cobija.

5 *With a with with with a cover.*

6 A: Ariba de tu y el costados.

7 *On top of both of you laying down.*

8 B: De usted y EG

9 *You and. EG*

10 C: No ya (inaudible) mucho.

11 *No that (inaudible) too much.*

12 B: No estabas tentado a el?

13 *You were not touching him?*

14 C: No ya es mucho eso no nope no es verda no. Y ya también ay...

18 C: (Inaudible) teníamos cámara también ahí van...

19 *(Inaudible) had a cámara there also...*

20 A: Exacto ay cámara ahí.

21 *Exactly there was a camara there.*

22 C: No pues no son.

23 *No well they are not.*

24 A: Y Francisca dijo que ahí vio usted y a EG

25 *And Francisca said that is where she sawy you and. EG*

26 C: Pues ahí están las camaras luego luego son mentiras ay esta revisalo son mentiras.

27 *Well there are the camaras then then it is all lies they are there review them its lies.*

28 A: Ah yo no entiendo como estos niños de siete y trece anos pueden decir unas cosas asi

29 *como dijieron explicaron a fechas a en detaile que usted.*

30 *I dont understand how children hwom are seven and thirteen years old can say things*

31 *like that like explain dates and details that you.*

32 C: Como (inaudible) como niño de siete anos va tener fechas es imposible que tenga fechas

1 en detaile. Un niño } uno adulto si.

2 *How (inaudible) a child of seven years old is going to have dates it is impossible to have*
3 *dates in detail. A child no maybe and adult yes.*

4 A: Pues tenia detaile de cómo usted le tento.

5 *Well he had details of how you touched him.*

6 C: Son mentiras son metiras ay están las camaras ay esta ay esta las camaras las camaras le
7 va decir.

8 *It is lies they are lies there is the camaras there's there's the camaras the camaras will*
9 *tell you.*

10 B: No y esa es la cosa sin cámara o cámara no liase y no tenias camaras ahí y los niños están
11 diciendo eso no va cambiar nada. Eso no va cambiar.

12 *No and that is the thing with camara or no camara it don't matter and you didn't have*
13 *camaras there and the children were saying that is not going to change anything. That*
14 *is not going to change nothing.*

15 C: No me no me (inaudible) nada.

16 *No to me no to me (inaudible) nothing.*

17 B: Tu sabes esto? Tu sabes eso si?

18 *You know that? You know that right?*

19 C: Si.

20 *Yes.*

21 B: Y esos camaras cuando el Detective le hace la forensics de los computers y puede salir no
22 puede quitar nada de el hard drive eso no liase que va pasar es los niños van a testigar en
23 courte de esto paso y este es la cosa quien ay ay un ay un ay un groupo se llama jury.

24 *And the camaras when the Detective does the forensics on the computers and it could*
25 *come out can not take anything out of the hard drive that does not matter what happens*
26 *those children are going to testify in court about what happened and this is the thing*
27 *there is is is a group called the jury.*

28 C: Uh huh.

29 B: En ingles aquí.

30 *In English here.*

31 C: Si jurado.

32 *Yes juror.*

1 B: Tu sabes que son la jury?
 2 *You know what a jury is?*
 3 C: Si.
 4 Yes.
 5 B: Y la jury va oyier que dicen los niños y cuando están terminado va oyier que tu tu estas
 6 diciendo y horita pienses esto okay. Yo no yo no sabe this is the first time we ever met.
 7 *And the jury is going to hear what the children have to say and when its over they will*
 8 *hear your side and right now you think its okay. I don't I don't know this is the first time*
 9 *we ever met.*
 10 C: Uh huh.
 11 B: I'm more inclinded to belive the children and that's not because I am a cop. Who do you
 12 think they are going to believe?
 13 C: The kids too.
 14 B: So what do you think is going to happen then?
 15 C: Wait up but there's no proof.
 16 B: Hold on though here's the bad part. I'm getting ready to tell you the bad part now.
 17 C: Uh huh.
 18 B: Get ready for this here's the bad part.
 19 C: Uh huh.
 20 B: We've got this on almost every weekend for how many weeks?
 21 A: A few.
 22 B: How many no do you know how many I mean I thought it was a substantial amount.
 23 A: Yeah he he really didn't say a substancial but he pretty much said like almost every
 24 weekend.
 25 B: For how long?
 26 A: Friday, Saturday and Sunday for the since January since he was twelve since he so he's
 27 thirteen now.
 28 B: We're talking over a hundred counts.
 29 C: That is not true it is not true.
 30 B: But but who do you think they're going to believe?
 31 C: Them.
 32 B: Do you know what a hundred count conviction will get you in prison? Do you have an

1 idea?

2 C: Um now I'm thinking.

3 B: You want me help you?

4 C: Pero pues.

5 *But well.*

6 B: Look look just listen.

7 C: No cierto pues.

8 *Well its not true.*

9 B: Just just let me tell you let me tell you how much it will. I had a case not long ago that

10 did not even have that many counts. Didn't even have close to that many counts nine

11 hundred and ninety nine years you'll never get out.

12 C: Sshhh.

13 B: And if he'd of told the truth he would changed it all up. He would of changed it all up.

14 It's because he was not truthful and he tried to say that the kids were liars that is because

15 me and the wife were not having a good a good relationship that's why my kids turned on

16 me. We hear this all the time. You you lo entiendes in ingles?

17 *And if he'd of told the truth he would changed it all up. He would of changed it all up.*

18 *It's because he was not truthful and he tried to say that the kids were liars that is because*

19 *me and the wife were not having a good a good relationship that's why my kids turned on*

20 *me. We hear this all the time. You you understand English?*

21 C: Si si si entiendo (inaudible) pero.

22 *Yes yes yes I understand it (inaudible) but.*

23 B: Okay but hear me out no pay attention but hear me out.

24 C: Uh huh.

25 B: We hear this all the time all the time me and the wife are not getting along, me and my

26 me and my girlfriend not getting along, she convinced the kids to say things like that, she

27 schooled the kids in saying things like that. We have the people in Tucson who are who

28 are professionals in what they do say these kids are being truthful. They're telling the

29 truth and they and the example that I just gave you for nine hundred ninety nine years if

30 he'd have been truthful he wouldn't be doing nine hundred ninety nine years. You need

31 to think about that.

32 C: No yo lo estoy que yo estoy diciendo la verda me están diciendo de camaras va veyan me

11-158 548 505.807.11

1 están.

2 *No I am that I am saying the truth you are telling me about the camaras go and see them*

3 *look at me.*

4 B: If all you're relying on is camaras my friend you're you've you've already lost this battle.

5 If you think for one minute that all we're relying on is camaras I got news for you that's

6 not we're not relying on the camaras. We're not relying on the phones. We're not

7 relying on the camaras. The only thing is that we're listeing to and paying attention to

8 our evidence is testimontial evidence it's the children what the children have said all

9 three. You're child too not just hers your own flesh and blood that you brought in to this

10 world is also saying.

11 C: No no es mi hijo.

12 *No no he is not my son.*

13 B: Well, L whoever.

14 C: Es mi es mi step no alright when um when estaba casado con su mama su mama salio

15 embarazada y y lo tengo en papel y lo tengo en todo no es mi hijo pero yo lo cree

16 haciendo single father de de los de que naci hasta hasta hasta este momento.

17 *He is my he is my step alright when um when I was married to his mother his mother*

18 *came out pregnant and and it is on paper and I have him in everything but his is not my*

19 *son but I raised him being a single father of of the since he was born until until until this*

20 *moment.*

21 A: Well that's still his dad (inaudible).

22 B: Well either way he even he is saying that so.

23 C: Pues si pero.

24 *Well yeah but.*

25 B: So if that's all if you think for one minute that all we're relying on is camaras you got

26 you got to understand we're not relying on any of that. If stuff comes out on that camaras

27 or the phones or the computer hard drives well than that's just we just add that but we're

28 not relying on that. That's not we're not relying on that. I know you seem to be but to be

29 quite honest with you I can care less on the camaras. What we got is the children's

30 interviews. I was there present with a YC?

31 C: YC YC.

32 B: And J was present and EG and EG interview when J was present for

1 that one. It was pr god damn compelling I'm gonna tell (

2 C: Ay dios mio.

3 *Oh my god.*

4 B: And I got to tell you that YG's was pretty compelling too because he did not look for

5 one minute like he was making anything up about when you walked in the bathroom and

6 washed him and then when later days later weeks later months later whenever when they

7 were playing and they got wet you told them to take their clothes off. You told them to

8 go out and play.

9 C: (Inaudible).

10 B: And that they said and that they and he and he even explains to us that he was that he was

11 worried cause he told you that but what about the camaras the camaras will see me and

12 you had told them don't worry about the the camaras I they nobody will see anything.

13 Those are the little kinds of things that he disclosed in the interview.

14 C: Pues si pero ya como (inaudible) y ellos me preguntaron y le preguntaron a ella todo el

15 tiempo estábamos los dos todo el tiempo los dos ella y yo.

16 *Well yeah but just like (inaudible) and they had asked me and they asked her all the time*

17 *we were both there all the time both of us her and me.*

18 B: You got to understand that that that we've done this these types of investigations I cant

19 count how many investigations that we've done like this.

20 C: Esta bien yo entiendo.

21 *Okay fine I understand.*

22 B: This is common this is not uncommon.

23 C: Uh huh.

24 B: Happens all the time sometimes people make mistakes adults make mistakes too and we

25 cant continue to just keep on saying well okay look I made a mistake I touched the

26 children or what have you and one of the biggest mistakes after that is once you've been

27 caught is to then say they are little liars. They lying that's what really gets the attention

28 of a jury in courts and what they can you know thinking okay hey look it this guy

29 understands that he made a mistake and he's and he understands it. He wants to get help.

30 He wants to come forward and talk but when you refuse like the nine hundred ninety nine

31 year one I'm telling you he then said they're nothing but little liars. You know how bad

32 that loods when a when somebody saying that when here's these children who have

1 already gone through something and then now they're being told by the same person
2 that now they're also little liars. That that's what really hurts a lot so with this is what
3 this is what this is what I suggest we do right now. Just listen to me okay. Things
4 happen we understand that we do this job we deal with this all the time and we also know
5 that with people that we've have worked cases with like this before who have truthful
6 with us we get them help. We get them help so that things can change or to see where
7 where they can go with this. What I suggest is this right now and just think this really
8 good because we're gonna take a break here a little little bit and let you think and I'm
9 gonna go get you some more water cause you said you're thirsty. You have the
10 opportunity right now wheather you think it or not and it's because you're scared.
11 You're scared right now. I know you are.

12 C: (Inaudible) I be scared.

13 B: You're scared right now.

14 C: Uh huh.

15 B: Because the reality of lying is if that if you do something wrong if you do and its found to
16 be wrong in the eyes of the people in that area country pais como como quieres decir la
17 cosa there's consequences that have to be that have to be paid. I this is what I think this
18 is what I think I think those things happened. I do but I don't think that you had you're
19 intentions were horribly wrong that's not what I am thinking. I think that what they said
20 happened I do think that you've touched them I think you've done those things but I think
21 there's a reason why you've done that and I think this is my opinion and I don't hold
22 nothing against you nothing nothing. I just think that if that's the case you just need
23 some help and I don't mean that I don't mean that in a bad way. I don't mean that in a
24 bad way neither but with help you will then can show that hey listen I am willing I am
25 willing to admit to what I have done and I want help. I want to correct these things and I
26 want to move on and maybe maybe the children could heal up in that way too. Forget her
27 get her out the then forget the girlfriend well because the fact of the matter is here's the
28 thing with her we're not relying on anything that she has to say. We're not relying on her
29 I to some degree I I believe you I believe you guys had a problem that you didn't have a
30 good relationship. I totally believe you on that I do but what I want you to do for you
31 right now believe us or not this is for you. You have the opportunity to think about this
32 just don't feel don't feel shame with me or him. I cant count again the number of cases

1 that we've worked together in this kind of stuff. We understand things okay.

2 C: Uh huh.

3 B: You need to understand that we understand. Think about what's going on here I'll go get
4 you some water take five we're gonna turn the recorders back off and then when we
5 come back in we'll we'll turn them back on and you tell us what where we're gonna go
6 from from there and then we'll take it from there. If I can't find you a bottled water, I'm
7 just gonna fill that back.

8 (Recorder turned off)

9 (Recorder turned back on)

10 B: Okay the time now is we stopped the recorder for a few minutes the time right now is
11 1059 call it 11 o'clock. Um, before we left the room I explained to Luis that um I did
12 not think he's being truthful. Um, I understand um why he would not be um we
13 investigate a lot of cases like this and we're just here to try to help him too and the best
14 thing that he can do to help himself at this point right now is tell the truth and that we can
15 help him in that manner once he tells the truth and gets some help and that's the only
16 that's our concern. Our concern is not just to help these children it is to help you too
17 whether you believe that or not. So with that said.

18 C: Yo creo que se están um como te dijera mal repretando esto me entiendes de que cuando
19 yo por ejemplo cuando estaban malitos que van a salir en el watsapp las fotos que ella
20 me mandaba y que es lo que tenía que hacer y todo eso como le digo. Lo que está
21 tratando yo es de que ella no le tenía confianza a nadie con quien platicar entonces me lo
22 empezó platicar a mí y yo le dije pues lo único que tienes que hacer es placela a niño para que
23 se despegue lo como está. Entonces yo creo que a la mejor se la mal interpreto me
24 entiendes de que yo aun que ellos estaban en Magdalena y yo estaba aquí por medio del
25 watsapp es como mandaba las fotos. Va salir todo eso y van a ver que yo no soy el que
26 estaba mandándole las fotos. Ella me las mandaba a mí para ver que es lo que podía
27 hacer. Cuando ya venían aquí ah cuando se iban lo mismo se tenían que que
28 ellos solitos hacer se lo así. Entonces yo creo que a la mejor se está mal interpretando la
29 manera de que yo los estaba tratando ah ah que ah que se estaban um lo malito que tenían
30 me entiende. Ahora con la relación um a el día que se embicharon yo lo veo natural. Mis
31 hijos lo abran hecho me entiendes. De sabes de que se mojaron esta siendo mucho calor
32 se quitó el shorts el niño y salió corriendo primero a más chiquito y luego pues dijo el

1 otro si podía y le pidió a ella y ella con lo que diga tu papá como te quieras mijo me
2 acuerdo que le dije. Y vicharon y anduvieron corriendo cosa que nosotros ni lo
3 anduvimos siguiendo ni nada, me entiende. Entonces no se.

4 *I beleive that they are um how can I say it is ongoing with this you understand me of me*
5 *for example when they were sick that the photos that she sent me are going to come out*
6 *on whats app and what she had to do and all that like I tell you. What I am trying to say*
7 *is she did not have any trust in no one with whom to talk to so then she had started to talk*
8 *to me and I told her the only thing you have to do is to show the child how he needs to do*
9 *it to peel it from how it is. So then I think maybe she misinterpreted it you understand*
10 *since they were in Magdalena and I was here through whats app is how she sent the*
11 *photos. Everything is going to come out and you will see that I was not the one sending*
12 *the photos. She would send them to me to see what it is that she needs to do. Then when*
13 *they got here and they had to shower they had to do the same thing on their their own.*
14 *So I think that everything was misinterpreted of how I had touched them ah ah that aha*
15 *that they were the sick that they were you understand. Now the time the day that they*
16 *were naked I see it as something natural. My children had done it you understand. That*
17 *they were getting wet because it was very hot and first the younger child took off his*
18 *shorts and came out running and then the other one said asked if he could asked her and*
19 *she said whatever your dad says and I said whatever you want son. And they got naked*
20 *and were running the thing is we were not even following them nothing you understand*
21 *me. So I dont know.*

22 A: Ah y porque se peliaron tu y Francisca, Luis?

23 *Ah and why did you Franisca get mad, Luis?*

24 C: Porque nos peliamos porque la agarre por a texting con cuatro personas y aparte que ya
25 me iban dicho que aya en Agua Prieta andaba con otro con los niños pues no le digo que
26 me dijieron. Ellos me dijieron papa porque nos va y deje un señor y luego mi mama se
27 queda arriba de el carro con el por mucho tiempo.

28 *Because we would argue because I caught her texting four people and apart from what*
29 *they had already told me about Agua Prieta that she was with another man didn't I tell*
30 *you the children told me. They told me dad why does the man go and leave us and then*
31 *mom says in the car with him for a long time.*

32 A: Y ya hace cuantos o fue no mas?

1 *And that was how long ago or barely?*

2 C: Eso fue Octubre fue eso.

3 *This was in October that's when that happened.*

4 A: En Octubre?

5 *In October?*

6 B: Can I I I need to ask one more thing and then.

7 C: Aver diga me.

8 *Ok tell me.*

9 B: I have this one question and this is it so when EG said that you guys were on the
0 porch.

1 C: Uh huh.

2 B: That you were sitting next to each other and that you were touching him under the covers
3 you're saying again that he lied?

4 C: He lied yeah I still got.

5 B: That's all that's all I needed to know.

6 C: Es mas ay va ay esta ay esta las camaras.

7 *As a matter fact there it is it is there on the camaras.*

8 B: That's all that's all that's.

9 C: Ay estan las camaras.

10 *There is the camaras.*

11 B: That's I have no more questions.

12 A: Luis te necessitas tratar de de ayudar tu mismo okay. Es defcil que niño de siete o de
13 trece anos que esta malito el de trece dijiera estas cosas de ti.

14 *Luis you need to try and help yourself out okay. It is difficult for a child of seven or of*
15 *thirteen years old that is sick the one that is thirteen to say these things about you.*

16 C: Uh huh y también se me hace imposible que un niño tan chico sepan exactamente las
17 fechas asi como las dice usted de que fechas exacto. Uno no no hacen las fechas.

18 *Uh huh and I also think it is impossible for a child so small to know exact dates like what*
19 *you say exact dates. One does not know the dates.*

20 A: Y lo que paso ayer fue un un momento grave de ellos y se recuerd recuerdaron de ese
21 tiempo.

22 *And what happened yesterday that moment was very bad for them and they remem*

11:55:52 85-88341

- 1 *remember of that ti*
- 2 C: No se pero para mi que la mama y mi hijo le están poniendo las les están poniendo a los
- 3 chamacos tiene que decir eso tiene que decir eso. Yo los conozco. Mi hijo me malpula
- 4 mucho. Mis señora yo digo que mi hijo esta metiendo con ella por eso que luego la sigio
- 5 me entiendes. Ay esta mi otro hijo preguntale ay esta en la escuela de el Pep Tec.
- 6 Hablen con el con el con la directora con la principal hablen de la buena porque lo
- 7 corrieron.
- 8 *I dont know but for me their mother and my son are putting they are putting the children*
- 9 *to say this to say all this. I know them. My son manipulates me. My girlfriend I think*
- 10 *that my son is sleeping with her because he followed her you understand me. There is my*
- 11 *other son ask him he is at the Pep Tec school. Talk with with with the director the*
- 12 *principal of Buena because they expelled him.*
- 13 A: Okay pero no estamos hablanon de de su behavior.
- 14 *Okay but were are not talking about his behavior.*
- 15 C: Uh huh.
- 16 A: Yo es mas yo ni dije nada de el L . Yo estoy hablando de los niños de ella y YG y de
- 17 EG
- 18 *Besides I didnt say anything about L . I was talking about her children and YG and*
- 19 *of EG*
- 20 C: Uh huh, yo digo que que la que ellos le agarraron y tienen que decir esto yo lo que digo y
- 21 y si es verda sin embicharon si es verda pero yo nunca los anduve tentando. Okay yo
- 22 nunca los anduve tentando que embichavan salían corriendo agarre los los shorts y los fui
- 23 los puse ayi para que se secaran me acuerdo. Que estaban malitos le digo ay va salir todo
- 24 en en en el watsupp. Yo nunca borro nada ay va estar en el watsupp.
- 25 *Uh huh I say that that they got them and told them you have to say this that is what I say*
- 26 *and the truth is they did get naked that's the truth but I never was touching them. Okay I*
- 27 *never touched them they got naked ran out and I got the shorts and put them there so they*
- 28 *could dry I remember. When they were sick all that Will be on on the whats app. I never*
- 29 *erased nothing it will be there on whats app.*
- 30 A: Dime dime esto cuantas eh EG dormia con usted en el sofá?
- 31 *Tell me tell me this how many times did EG sleep with you on the sofa?*
- 32 C: No no se agarraban y se levantaban y lo primero que iba y se subían todos arriba de mi

1 incluso hasta los otros mas grandotes el L J ella tod Yo de que me pelea con
2 ella y me salio ah ah um a dormir a el sofá aya fuera. Y encuan to se levantara el que se
3 levantara se iba y se subia arriba de mi.

4 *No no they would get up and the first thing they all would do was get on top of me*
5 *including the older son L J her all of them. I would fight with her and I would*
6 *go out and sleep on the sofa out there. And when they would wake up whom ever would*
7 *wake up wout go and get on top of me.*

8 A: Entonces nunca en el ano y medio dos anos que estaban con tigo, nunca ~~EL~~ se
9 acusto con tigo en un sofá?

10 *So then never in the year and a half two years that they were with you never did ~~EL~~*
11 *lay down with you on the sofa?*

12 C: Si si si no le digo que iba y todos iban y se subían arriba de mi.

13 *Yes yes yes just like I told you they would go and all of them would go and would get on*
14 *top of me.*

15 A: Nunca estaban tu y el juntos?

16 *You and him were never together?*

17 C: Todos iba y se subían y se llegaba si si ~~Y~~ ~~Y~~ se levantaba temprano el iba y se subia
18 arriba de mi. Asi ensima de las covijas asi y yo costado y si el ~~EL~~ se levantaba
19 también el también se iba y se subia. Si mi hijo J todavía lo hace. Si todavía si estoy
